

## Moreton Pinkney Parish Council Newsletter

The Parish Council are setting up a Covid19 Mutual Aid Group.

Firstly we hope that most people in the community can be supported by their neighbours. We know there is already some great support going on and of course we would like this to continue. But we would like to set up help for those that may not have a close support network.

### **Do you need help or can you help?**

Are you unable or concerned about leaving your home because of Covid 19/Coronavirus? Do you need someone to run errands – do your shopping, cook food or pick up a prescription etc.? Or would you just like someone to talk to if you're feeling isolated? We can help!

The Parish Council is bringing together a group of residents to help out in the community during this time when some people are experiencing difficulty in accessing what they need due to concerns about Covid-19. We would like to support the community that we live in and ensure that nobody is left isolated or without what they need.

If you need help please could you ring Lesley on 760748, Stevi 760112 or Claire on 760790 and let us know what we can do to support you. You may not need help now, but this is an ongoing offer of help if you need it later.

If you would like to help out with supporting the community, please could you ring Lesley, Stevi or Claire. We may need help doing shopping, running errands, ordering peoples shopping on line, picking up prescriptions or anything else that needs doing. We may also need people that can provide a friendly ear and some emotional support to community members who are self isolating or finding the pandemic overwhelming. This can be done by phone. Please could you let us know if you can help. We need your name, where you live, phone numbers, email address, what you can do, and your agreement for these details to be given to other residents under the GDPR (the data protection regulations).

Thank you. Moreton Pinkney Parish Council.
